Monroe, Washington

OVERVIEW

The WDHMA promotes and sponsors showing, breeding and farming with draft animals. Throughout the year we participate in field days, parades, clinics, a wagon train, scholarship awards and hold the annual Washington Draft Horse and Mule Extravaganza. Whether a want-to-be horse owner or veteran teamster, there are events or hands-on activities to enjoy. We invite you to join the Association. As a member of the WDHMA, you will receive a newsletter five times a year, either through the mail or via email. Your Association dues go to fund the events that we hold throughout the year. See our website for additional information and join us today! Club|Group|Org. - Breeds
