OVERVIEW

West Sound Wildlife is a nonprofit wildlife hospital and education center serving the western Puget Sound. Last year we cared for over 1,500 wildlife patients and provided live-animal education programs to more than 12,000 children and adults.If you have an injured, sick or orphaned animal call 206-855-9057 (please do not send an email.)View our website and Facebook page for more information.Volunteer Opportunities|Rescue|Rehab|Welfare>Wildlife
