OVERVIEW

We are the official Oregon state affiliate of Working Equitation International Association of the USA (WEIAUSA). We work with others in the Northwest (including WE Washington) and West (WE California) to bring Working Equitation events to our area. We organize and host competitions, clinics, and educational seminars throughout Oregon and surrounding areas, and help connect people who want to learn more about the sport of Working Equitation, as well as to provide opportunities for people to participate in WE events. Please visit our Facebook Page to learn more about upcoming events, or check the EVENTS listing on weiausa.com.Club|Group|Org. - Special Interest>Working Equitation
