OVERVIEW

Founder, Jamie Samples, launched Yellow Barn Media as a way to coach and encourage business owners in their quest to find a workable marketing strategy. In the beginning years it was just Jamie, but over the five years a powerful, experienced team has emerged. We offer a full menu of marketing services that include: Social Media Marketing, Email Marketing, Website Design, Facebook ads, Graphic Design, Copywriting, Search Engine Optimization, Business strategy/coaching & much more. See our website and Facebook page. [Marketing>Business Marketing|Business Services|Products|Marketing>Internet Marketing](#)
